My Nasty Cat

title, underlined

I have a cat named Scout. She has black fur with a teeny bit of brown in it. Her yellow eyes glow in the dark. Scout is 15 years old, and she is a grumpy, nasty pet. She doesn't like strangers. She also doesn't like my grandchildren! She hisses and growls at them. Even though she is grumpy and mean, and she often vomits on the carpet, we like her.
